

## Hongda Radial Electrolytic Capacitors Products List

RFZ Series, Radial Aluminum Electrolytic Capacitors, Longer Life Assurance, High RC

RGE Series, Radial Aluminum Electrolytic Capacitors, Low Impedance, High Ripple

RGF Series, Radial Aluminum Electrolytic Capacitors, Low Impedance, High Ripple Current

RGK Series, Radial Aluminum Electrolytic Capacitors, Ultra-Low Temperature 55 °C

RGR Series, Radial Aluminum Electrolytic Capacitors, 85C Standard General Products

RHP Series, Snap-In Terminal High Temperature

RIP Series, Snap-In Terminal Long Life

RJP Series, Snap-In Terminal Long Life

RLL Series, Radial Aluminum Electrolytic Capacitors, 130C High Temperature High Ripple

RLZ Series, Radial Aluminum Electrolytic Capacitors, Middle And High Voltage, Longer Life,

RMZ Series, Radial Aluminum Electrolytic Capacitors, Long Life Assurance, High Ripple

RPH Series, Radial Aluminum Electrolytic Capacitors, 125C Guaranteed Low ESR At High

RRC Series, Radial Aluminum Electrolytic Capacitors, Low Impedance, High Ripple

RRL Series, Radial Aluminum Electrolytic Capacitors, 105C Standard General Products

RRZ Series, Radial Aluminum Electrolytic Capacitors, Long Life, High Ripple
